We have created a range of 300mm diameter circular designs to not only remind students, staff and visitors to maintain social distancing when walking around school but to inspire them with quotes from scripture, past Saints or recent Popes. Choose from the selection below or create your own customised designs.

Perhaps celebrate and promote your School Mission, use a quote from the Saint your school is named after or use your School's values or virtues. All floor markings are produced in vinyl with a anti-scuff clear cover and are supplied pre-cut ready for easy application to strategic floor locations.

To order our stock designs, simply enter your preferences in the boxes below. You can also have your own School's values or mission printed at no extra cost. Please remember to email a high resolution pdf or jpeg of your school logo with your order.

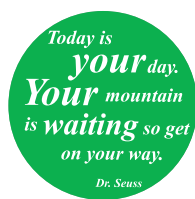

Costs : £9.95 each or 12 for £99 (any mix)
